Dear Parent/Carer

We are pleased to be able to confirm the details for our second phase of Progress Examinations. Year 11 students will sit Progress Examinations in their 'options subjects' from the week beginning December 10th 2018 and a timetable of these examinations is attached. To try and replicate the experience of the examinations next summer, we are allowing students to study at home when they do not have an examination in school. For those students who would prefer to study in school, a supervised study room will be made available during the school day.

In addition, if Year 11 students wish to study in a silent working environment, we are offering them the opportunity to work in the Sixth Form Centre after school until 4:00pm from Monday 26th November 2018. This opportunity will remain available for Year 11 students for the remainder of the academic year.

After-school revision sessions are already being offered by individual class teachers and students should make use of these sessions as they see fit, whilst completing their own revision outside of school. Students should vary their revision and make use of resources such as GCSEpod.com and Seneca Learning.

We hope this information enables you to support your son/daughter over the months of November and December.

Results from the English, maths and science examinations will be communicated home prior to the Christmas break with a full progress report for all subjects following in January.

Yours faithfully

K Morgan

Mrs Morgan
Head of Year 11

E Huet

Miss Huet
Head of Upper School
