Dear Parents/Carers

Year 8 Key Stage 4 Curriculum Choice Evening

The return to school after the half-term break marks the start of a very important period for our Year 8 students as they begin to consider their choices for subjects to take through to the end of Year 11.

There are some significant differences for Year 8 students making their choices this year, in comparison to the process that has run previously.

To help you to support your son/daughter in making their subject choices, there is an information evening for parents/carers of students in Year 8 on **Thursday 28th February**. Students are also advised to attend this evening.

There will be a short presentation and talk for parents in the Hall at 6.00pm. This will include information on the range of courses and pathways available to students and on the factors which may influence their choices.

In addition, the canteen area will be open from 5.30pm until 7.30pm where information will be available for students and parents/carers on the subjects that students can consider to take through to the end of Year 11.

There is an opportunity for parents to meet their individual subject teachers at the Parents' Consultation Evening on **Thursday 14th March** with our online booking system opening the week before. Students will be issued with their options booklets and forms on **Monday 25th February** with the deadline for students to make their choices falling on **Friday 29th March**.

Yours faithfully

Mr Jochen Tree
Deputy Headteacher (Student Outcomes)
