

Dear Parent/Carer

Over the past few years the school has made use of a number of apps and platforms that have been developed to support you in monitoring homework, communicating with the school and accessing letters and school reports. We have taken feedback from Parent Voice and conducted our own review of the services these apps and platforms provide and believe that we can give parents access to most of the information and services they require through a single app called Edulink One. The transition to EduLink One will begin on February 3rd 2020 and will initially allow parents to view their child's details, homework, timetable, attendance, behaviour and achievement points and, for Years 11 and 13, their public examination entries. The school will no longer be using the Show my Homework platform from this date.

We will initially continue to email letters and reports home and keep the MyEd platform for absence messages; our online booking system for parents' evenings will also remain in place but these services will be phased out during the remainder of the academic year with all functions being eventually handled through Edulink One. When Edulink One is fully established, the only other service parents will need to make use of is ParentPay.

Edulink One is free; from a computer you can access EduLink One via the website <https://www.edulinkone.com>. From a smart phone you can download the app for Android https://play.google.com/store/apps/details?id=com.overnetdata.edulinkone&hl=en_GB or iOS <https://apps.apple.com/gb/app/edulink-one/id1188809029>.

Please find below your login details to access EduLink One.

The School ID is: bromfords
Your Username is: p_jsmith
Your Password is: n225ffgg

You can change your password once logged in. A selection of parental guides can be accessed on our website at <https://www.bromfords.essex.sch.uk/edulink-one/>

Students should download the app and will use their own school log-in details to access their account. Form tutors will be showing students how to access their homework throughout this week.

If you require any support or advice getting Edulink One setup, please e-mail parentsupport@bromfords.essex.sch.uk

Yours sincerely

JTree
