Dear Parents/Carers

I hope this finds you and your family well in these difficult times and you have managed to take advantage of the lovely weather and enjoy the Easter break.

I could never have imagined my first day at Bromfords to arrive in such difficult and unusual circumstances. While my plans to arrange "Meet the Head" events and an early Parent Voice forum are obviously now not applicable I look forward to the end of our current social distancing measures, reopening of the school and an opportunity to meet you in person.

I would like to take this opportunity to thank you for adhering to the governments guidelines and keeping your children at home. I would refer you to the school's website where we maintain regular updates for parents and would ask that you are proactive in ensuring that your child checks in with their form tutor regularly.

Thank you for your continued support at such an unprecedented time.

Yours sincerely
