## THE FA LAUNCH NEW LEAGUE

### FIRST EVER FA MIXED LEAGUE!

During yesterday's press conference, held at The FA Headquarters, The FA announced the first ever mixed team league. It was met with great excitement by all the media. The league will be named MPL (Mixed Premier League).

You are now ready to support the FA in creating a new Mixed Premier League Team.

Before you choose your team players, what do we need before it?

Great football team names are those that players and coaches can get behind and inspire the group as a whole. Look for a team name that is descriptive, memorable and one that fans can get excited about. Don't be afraid to be a little different. Consider adding an adjective like a colour to the suggestions that just feature a noun to make them stand out more.
