Judges

Chris Bavin (BBC Presenter) and Chloe Meadows (TOWIE)

Chris comments:
"Wow what a great
standard! What great
entries they all are"

Chloe feeds back: "I'm so so
impressed, I want each and everyone
of them to teach me to bake. It was
so difficult to choose as there's really
not one entry that isn't amazing and
at such a good level! Thank you for
letting me judge their competition,
they've all inspired me to try and
bake some new cakes in lockdown. "

would buy this, it
looks like a
professional baker

Love Heart Macarons

Judges feedback on
Erin's entry:
"So impressed with
these, I think macarons
are so difficult to make
and get right and these
look perfect! Must have
taken such a long
time! Could be on
display in a French
patisserie"

Checkerboard Drip Cake

in fashion right now and
not easy to get right!
Also the checkered
sponge is such an
intricate detail"

"I'm so impressed with
the heart shape sponge

favourite."

Winner: Mrs D. Saliba-Smith

Judges feedback on
this entry:
"This looks delicious!
The cake I would

over. The roses
amazingly neat!"

"the detail and
decoration on
these looks like
