

## HELP TO BUILD THEIR FUTURE

Calling all parents and caregivers! We want to exclusively invite you to our Virtual Apprenticeship Information Session - providing you with the opportunity to explore what a modern-day apprenticeship has to offer. We are here to help you understand what future career paths are available, dispel the myths around construction and showcase all the benefits that come with joining us as an apprentice.

We will be chatting with our Group Construction Training Manager, Hiren Budhdeo, about our inclusive culture and how a career in Construction is one of the most rewarding and driven career options available to young people.

You will also get the opportunity to speak with one of our very own apprentices, find out what life is like at Redrow, and understand how your young person can take the steps to a successful and rewarding future.

**Thursday 22nd February**  
**6:30pm start**  
**Microsoft Teams**
